

Laguna

Pro Spindle Moulder

LAGUNA

Laguna Pro Spindle Moulder

The Laguna Pro Spindle Moulder combines a precision moulder with features normally only associated with much higher priced machines

Features

Standard digital readout

Heavy duty motor

Quick change poly-groove belt system

Each full revolution of the turn handle gives an exact 1.5mm adjustment to the fence

Pre-drilled holes to accept most power feeders

Wheel kit built right into the machine base
